

2020/2021 STUDY GRANTS FOR NEW POSTGRADUATE STUDENTS

CONTEXT AND DEFINITION OF THE GRANTS

Universidad Europea, like so many others, has not been immune to the complicated situation that the world has found itself in since the beginning of 2020 and we are very conscious that this health crisis is hugely challenging for economies, societies and, ultimately, people.

Our Institution is committed to excellence and knowledge and, with this in mind, we want to help everyone who had planned to continue their university education this year to do so. As such, we have created a Support Fund with the aim of alleviating any unexpected financial difficulties that people may have found themselves in as a result of the crisis caused by the pandemic.

Study grants worth 15% of the cost of teaching (hereinafter, jointly **“the Grants”** and individually, **“the Grant”**) will be awarded to new students who enroll in the academic year 2020/2021 on any of the following Postgraduate Degrees, when classroom-based, run by Universidad Europea de Madrid (hereinafter, jointly **“the Included Degrees”** and individually, **“the Included Degree”**):
